RESPONSE TO RESTRICTION REQUIREMENT AND AMENDMENT

In response to the Office Action mailed September 9, 2004, containing a restriction requirement, Applicant provisionally elects the claims relating to the article, i.e., claims 16-19 labelled Group III by the Examiner in the Office Action.

In a telephone call to the Examiner on October 5, 2004, it was suggested that the claims be re-drafted. For this purpose, an amendment to the claims is attached. New claims 20-23 are presented, with claims 20-22 containing the respective dependent claims 16-18 re-drafted in independent form, and claim 23 containing claim 19 in dependent form.

Claims 1-19 are withdrawn. Therefore, no fees are due.

Applicant respectfully requests continuation of the examination and provision of the results at an early date.

Respectfully submitted,
